9 September 2022

COLLEGE PRINCIPAL

September is Safeguarding Month in the Diocese of Broken Bay, both in our parishes, and in our school and colleges. It is an opportunity to highlight the importance of safeguarding and encourage everyone to consider their shared responsibility to keep children and young people safe. It is also a time to acknowledge with sorrow the failures of our past - the betrayal of trust and harm that has been inflicted on young people and vulnerable adults by those who should have protected and cared for them.

As a College, this is a part of our history that many would rather not speak about, but which we must acknowledge, for it was silence, discomfort and disbelief that exacerbated the harm caused to many victims of abuse and their families.

To begin this month Bishop Anthony led the Church of Broken Bay in a Liturgy of Lament at Our Lady of the Rosary Cathedral, Waitara at which we repented the past, prayed for healing and committed ourselves to doing all that we can to keep young people and vulnerable adults in our parishes, schools and colleges safe into the future.

During this liturgy the words of Br Michael Herry's Hymn of Healing for the Church stood out as a clear expression of the prayer that we offer for the future.

*Stir in us a deep compassion, firm resolve to heal the past.
Help us understand the darkness, lest again it comes to pass.
Lord we pray for those so wounded, hear the cry of victims' pain.
Help us seek the path of justice. Help us see the light again.*

Thank you

Over the past fortnight there have been several opportunities for our students to engage in a more holistic education. I would like to thank the following teachers for making these opportunities

possible. Mr Ben Arthurs (U14 rugby and Canine Assisted Learning), Mr Lionel Newton (BBSSSA Basketball), Mr Chris Falkland (BBSSSA Golf), Mr Garth Aird (U16 rugby), Ms Tayla Shawcross and Mr Tim Emmerson (BBSSSA Athletics), Mr Ben Rowse (Sports Coaching at St Mary's), Ms Joanne Kalayzich (Students Catechists at Harbord Public), and Mr Steven Callow and Mr Ben Rowse (Senior Student Leaders' Formation Day). It was a busy fortnight but a good example of the way in which our staff make themselves available to ensure that our students have a range of opportunities to experience success.

Prima Primum

God bless.

Mr Michael Reid
College Principal

COLLEGE CALENDAR 2022

For 2022 school dates please refer to the Google Calendar

<https://www.facebook.com/stpaulsccmanly>

ASSISTANT PRINCIPAL

Over the last couple of weeks, we have been fortunate to have had weather that has allowed the numerous amounts of handball and basketball games to occur during recess and lunch. This also featured a Year 12 student vs staff Futsal game, and the staff went down in a final finish 3-0. Great sportsmanship and a lot of laughs were shared in the game, congratulations Year 12.

Congratulations to the Athletics team who represented the College proudly last week at the Broken Bay carnival. There were some great results and some students have been selected to represent the diocese at the Combined Catholic College Carnival – I wish these students all the best. Those who

performed well at the carnival will be acknowledged at the next College assembly.

This week our Year 7 and Year 8 students had an information session on the dangers and consequences of vaping and cyber safety. This session was facilitated by the Police Liaison officer who the students listened to attentively. I am sure that they all learnt something, and I encourage you to ask them about this talk and open the conversation.

At last week's assembly we recognised those students who had received the Prima Primum Awards at the end of Term 2. Unfortunately, as stated in an earlier newsletter these awards were not presented as we had cancelled the assembly at the time due to Covid.

It was great to see the Year 7 and 8 cohorts and fathers at breakfast last week. Everyone seemed to enjoy the conversation and the bacon and eggs cooked wonderfully by our Year 11 students. We also held our sport photos last Friday and these will soon be available for purchase via Compass, please keep a lookout for this information.

Over the last few weeks there has been an occasion when students have been removed from classes and sent home due to breaking the hands-off policy. This policy is in place and students are reminded of it regularly. I ask that you remind your son to follow the policy, or a parent will be asked to collect your son from the College. This policy is in place for the safety of all members of the community and sending a student home to learn remotely is not one that is taken lightly.

In the last newsletter parents were informed about the Tell Them From Me survey. Last week an email was sent to all households with the link needed for parents to access the survey. The students were asked to complete the survey during Pastoral Care time this week. This data is important for both the College and the Diocese for improvement planning. If you have lost the email, please use this link to access the survey.

Ms Karen Shawcross
Assistant Principal

COLLEGE COUNSELLOR

Self-esteem and building confidence is a key life skill. Here are some tips to build confidence and self-esteem.

VET (VOCATIONAL EDUCATION AND TRAINING) AND POST SCHOOL OPTIONS

Year 11 VET Construction and Hospitality students Work Placement

This Term we had our Year 11 Vocational Education and Training students out on work placement. Work placement is a mandatory component of the VET Construction and Hospitality course, an invaluable experience for our students that allows them to have a real taste of working in the industry and the opportunity to start networking with industry professionals. The College would like to thank all our employers for supporting our students here are some photos of our students on placement.

Zac Warwick - on Construction placement at Collaroy Plateau with Addbuild

Sonny Harper - On Hospitality placement in Manly at Garfish

Mr Garth Aird
Leader of Learning VET and Post School Options

ENGLISH

It has been a dynamic and busy Term 3 for the English Department. In Week 6, we welcomed Nick Westhoff to the faculty, and he has already proved himself to be an invaluable member of the team. This is not the first time at St Paul's for Nick, having taught here in the late 1990's and early 2000s at the beginning of his career.

Year 12 students have been preparing for their final examinations which commence in early Term 4. It was good to bring my HSC marking experience to our Trial HSC marking and feedback process, and the boys have all benefited from the hard work that Ms Hogarth and Ms Weight have put in to

provide meaningful feedback and quality teaching and learning activities.

A special congratulations to Jake Fergusson in Year 12 for submitting his English Extension Two Major Work this term. He worked hard throughout the year to compose an insightful and thoughtful Critical Response on the topic of how language is used as tool of manipulation within the Australian media landscape.

Our Year 11 cohort has been working hard this term and will sit a Yearly Examination at the end of Week 9. This is an important part of their HSC journey, and we wish the boys all the best in their upcoming exams.

In the junior years, the staff have been working behind the scenes to embed a more explicit focus to the teaching and learning of key literacy skills. It has been pleasing to see this already manifest in some exemplary work from students in a range of year groups.

In Term 4, Year 7 boys can look forward to an interclass Spelling Bee competition which, in addition to promoting literacy outcomes, will involve some great prizes up for grabs.

Well done to all of our English students for your efforts this term, and best of luck in your upcoming assessments and exams.

Mr Chris Falkland
Leader of Learning English

TECHNOLOGIES

We have had a fantastic Term 3 with so many activities happening.

Year 7 have been completing their digital systems unit using the Minecraft platform. Students are using their skills to make all sorts of wonderful and weird creations. All while learning about coding structures and programming logic.

Year 8 have started their Co2 cars program. Students are learning about aerodynamics and engineering concepts to design and build the fastest Co2 car. The students will race them at the end of the unit.

In Stage 5 students are getting underway with their practical components. In IST students are working with the platform Unity to create immersive 3D games. Students are working with C# to make scripts for all kinds of functionality in their games.

In the workshop we have Ukuleles and contemporary furniture underway. The boys are working with precision and extending the skills they have gained earlier in the year.

I wish our school community a restful break after a busy Term.

Mr Callum Endacott
Leader of Learning Technologies

SCIENCE

Year 7 have been conducting risk assessments to understand the precautionary measures that are necessary when using different chemicals such as acids.

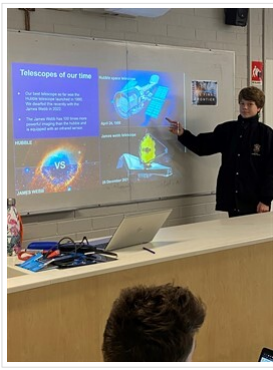

Year 7 students have also been modelling convection currents that occur in the Earth's mantle, deep beneath our feet.

Year 8 - Resources beyond Earth

How do scientists gather information about the chemical composition of our celestial neighbours?

Year 10 students have been learning about the structure and function of DNA, a compound that can be easily extracted from strawberries.

Year 11 Biology has been studying vascular tissues in plants.

Chemistry students have been making models to further understand the structure and physical properties of different polymers such as Polychloroethylene (PVC) and Nylon-6,6

A busy end to the term where students have been conducting first-hand research and investigations in the Science Laboratories.

Mr David Longfellow
Leader of Learning Science

YEAR 7 WELLBEING

On Wednesday 24 August, Year 7 were privileged to meet Narada and David from The Man Cave who facilitated workshops on redefining the journey to manhood. The Man Cave is a not-for-profit organisation that recognises the importance of positive role models and sets out to teach skills needed to thrive as boys roll on through their teenage years into manhood.

During these workshops, students explored several issues which are prevalent amongst teenagers, particularly in their early years of high school. One thing that really resonated with the students was the analogy of a glass jar used to describe the pressures we face in everyday life and the impacts that these have on us as they continue to accumulate over time. Students were given an opportunity to voice some of the “rocks” or pressures placed in their glass jars which weigh them down such as schoolwork, high expectations, friendships, and familial relationships. This provided an entry point to discuss ways in which we can recognise when our glass jars cannot take any more weight, and what this looks like when the jar eventually “shatters”. The students were very forthcoming with strategies they can use to get support, emphasising the core message that a problem shared is a problem halved.

Overall, I think the day was a success and laid the groundwork for meaningful conversations around these issues moving forward. Many students showed great courage in voicing some of their own struggles or barriers which prevent them from being themselves, or actively engaging with school. The feedback from students was positive and repeatedly acknowledged that they learned new things about their peers, underlining the importance of empathy.

As a Year 7 community, we will continue our discussion of the issues and messages raised in The Man Cave. We will continue to encourage students to talk about their worries and concerns, ultimately lightening their load. Please know that there is always support for students who have or are experiencing any of the above concerns. If you would like to discuss this further, please reach out.

Ms Maddie Hogarth
Year 7 Leader of Student Wellbeing

YEAR 11 WELLBEING

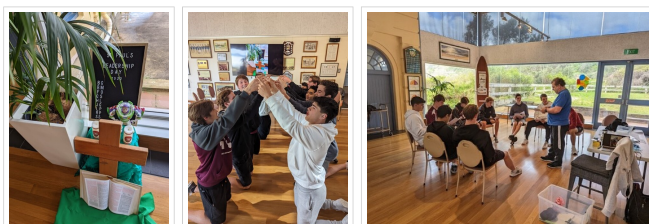

“The biggest term in your young schooling lives” – was the message I communicated to Year 11 in their first Assembly this Term. It is certainly proving to be just this with lots of important milestones being met along the path to the term’s culmination – an exam block commencing Thursday 15 September in week 9. The schedule looks like this:

AH Exam Timetable			
Subject	Date & Time	Subject	Date & Time
All Year 11 Required	Wed 27 Sept 8:45am - 11:30am: Graduation Mass	Legal Studies	Thu 22 Sept 9:25am - 11:25am
Ancient History	Thu 22 Sept 9:25am - 11:25am	Maths Advanced	Tue 20 Sept 9:25am - 11:25am
Biology	Fri 16 Sept 9:25am - 11:25am	Maths Standard	Tue 20 Sept 9:25am - 11:25am
Business Studies	Mon 19 Sept 9:25am - 11:25am	Maths Extension	Thu 22 Sept 1:05pm - 2:30pm
VET Construction	Fri 16 Sept 9:25am - 11:25am	Modern History	Fri 16 Sept 1:05pm - 2:30pm
Design & Technology	Fri 22 Sept 9:25am - 11:25am	Music	Fri 16 Sept 9:25am - 10:25am & 10:45am - 11:55am
Economics	Fri 16 Sept 9:25am - 11:25am	PDHPE	Fri 22 Sept 9:25am - 11:25am
English Advanced	Thu 15 Sept 9:25am - 11:25am	Photography, Video and Digital Media	Thu 22 Sept 1:05pm - 2:30pm
English Standard	Thu 15 Sept 9:25am - 11:25am	Physics	Friday 16 Sept 9:25am - 11:25am
English Extension	Mon 19 Sept 1:05pm - 2:30pm	Software Design and Development	Mon 19 Sept 1:05pm - 2:30pm
Food Technology	Friday 16 Sept 9:25am - 11:25am	Studies of Catholic Thought	Wed 21 Sept 1:05pm - 2:30pm
Geography	Thu 22 Sept 9:25am - 11:25am	Studies of Religion I	Wed 21 Sept 1:05pm - 2:30pm
VET Hospitality	Fri 16 Sept 1:05pm - 2:30pm	Studies of Religion II	Wed 21 Sept 1:05pm - 2:30pm
Industrial Technology	Thu 22 Sept 9:25am - 11:25am	Visual Arts	Fri 16 Sept 1:05pm - 2:30pm

PLEASE NOTE: All of Year 11 are all required in full school winter uniform for the Year 12 (2022) Graduation Mass. Also note that the PDHPE exam and Design & Technology exam will take place as per the exam schedule. The Pupil Free Day on Friday 23 September will not apply to these exams.

Beyond this, there is much excitement about stepping into Year 12 as the boys begin to lock in things like their Year 12 Student Leaders, and their favourite Year 12 Jersey Designs. The boys designed and submitted 25 original designs, voted this down to 10, and voted this down to the final 3 with the final vote taking place this week. Then it will be the job of the incumbent Student Leaders to liaise with the clothing companies to arrange for their design to be created and worn in early term 4.

Speaking of Student Leaders, the final steps are being taken this week to decide on the 2023 Student Leaders (aka 'Prefects'). The nine nominated students enthusiastically participated in an awesome Leadership Day on Monday, led by Mr Callow. The day was full of thought-provoking activities, games and challenges – all aimed at helping the group to understand the privileges and responsibilities of leadership at St Paul's. Thank you to Mr Callow for his efforts in preparing and facilitating the day. The engagement of the students was exemplary, inspired by your investment in the day and helping to form our leaders.

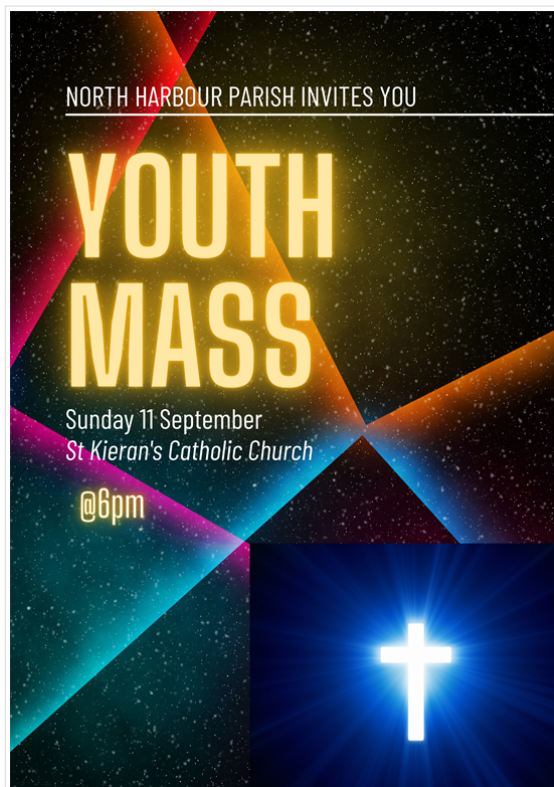

Year 11 continue to strive to embrace the College COURAGE acronym, as well as their own year group theme in *Atomic Habits*, along with our College motto - *Prima Primum: First Things First*. Learn more about Year 11's Assemblies and COURAGE material by accessing it here:

BBSSA Athletics

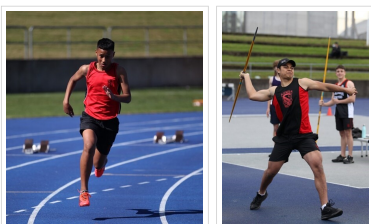

The school participated in the Broken Bay Athletics Championships on Tuesday 30th August. The standouts were Elijah Wulf (Year 7), Zac Gedz (Year 8), who both finished 2nd overall in their age group and Tadhg Magee (Year 8), who broke the record for the 100m and 200m. Tyler Green (Year 11), Declan Myrden (Year 10), Finau Tuionetoa (Year 10) and Luke Hampson (Year 8) also progressed to the next level.

First Place

- Zac Gedz – Long Jump
- Tyler Green – Javelin
- Finau Tuionetoa – Discus
- Elijah Wulf – Long Jump, High Jump, 100m, 200m
- Declan Myrden – High Jump, 100m.

Second Place

- Tadhg Magee – 100m, 200m
- Luke Hampson – 100m, 200m

BBSSA Basketball

Year 8 and Year 10 represented the school at the Broken Bay Basketball Championships. Despite not making the semi-finals, the boys had an enjoyable day. Thanks to Mr Lionel Newton for managing and coaching the boys on the day.

BBSSA Golf

On Friday 2nd September, a team of Year 7-11 students drove up to the Central Coast to represent St Paul's College at the BBSSA Golf Championship at the Shelly Beach Links Course. Despite the early start and the relatively small size of our team, the boys performed exceptionally well in chilly conditions at the picturesque course.

Playing off a handicap of 30, Hunter Dempsey in Year 9 won the Under 15's net competition with a score of 61 net (90 off the stick). Jedd Thomas in Year 11 played an extraordinary round of golf, recording no bogeys on his scoreboard and making three birdies to finish at 3 under par. A definite highlight was his chip in from the off the green to make birdie on the 17th hole. His final score of 67 was easily enough to secure the Open Trophy.

As a team, St Paul's finished in second place, narrowly missing out on victory by two shots to St Edwards College, East Gosford.

All the boys are to be congratulated on their exemplary sportsmanship and great attitude throughout the day.

PENINSULA CUP – RUGBY UNION

Congratulations to the U14s Rugby Union on making the semi-final of the Peninsula Cup to be played in Week 8. The boys did go down to Mater on Thursday despite playing impressive rugby

Upcoming Events

- Tuesday 13th September BBSSA Rugby 7 EDSAAC, Bateau Bay

Mr Tim Emmerson
Leader of Sport

YEAR 12, 2023 TEXTBOOKS

The list of Textbook requirements for Year 12, 2023 is now available via the link below. Year 11, 2022 students please place your order online using the following 4-digit access code "YMV6" (not case sensitive) by Wednesday 14th September 2022.

<http://www.campion.com.au/>

All new Textbooks will be delivered to your nominated address during the week ending Friday 7th October 2022.

Second-hand Books

Parents are invited to buy and sell their second-hand books online via the link below:

<https://www.sustainableschoolshop.com.au/booklist/st-paul-s-catholic-college-manly>

If you have any queries, please do not hesitate to telephone the College Reception on 9977 5111.

Mrs Nicola Pervan
Information Resource Centre

DIVERSE LEARNING

Diverse Learning supports all learners at St Paul's and provides dedicated, focused support for students with disabilities who require adjustments. Through the NCCD, schools are required to submit data on the number of students requiring adjustments and the level of support. Details of this data collection can be found on the Australian Government NCCD Parental Fact Sheet. For further information please contact Mr Arthurs, Leader of Diverse Learning.

<https://www.nccd.edu.au/sites/default/files/fact%20sheet%20for%20parents%20guardians%20and%20carers.pdf>

Homework Club on Monday Afternoon

Homework club runs each Monday afternoon from 3:30pm to 4:30pm in S21. All students and subjects are welcome, especially Seniors willing to support our junior students.

Homework Club support staff:

- Mr Ben Arthurs
- Mrs Trish McGregor
- Ms Julie Jones
- Ms Andrea McKenzie

We look forward to seeing many students there!

Mr Ben Arthurs
Leader of Diverse Learning

NOTICEBOARD

September is Safeguarding Month

September is Safeguarding Month in the Diocese of Broken Bay and is an opportunity to highlight the importance of safeguarding and encourage everyone to consider their shared responsibility in keeping children and young people safe.

This year the focus of the month is 'Families' and we hope to encourage everyone to reflect on how family connections promote safety.

Take time in the month to connect with your family, and please share a story, video or a photo of this experience: Submit - Catholic Diocese of Broken Bay (bbcatholic.org.au) The most creative entries will be showcased on the Diocesan Safeguarding Month webpage.

Enrolments and College Tours

We are currently enrolling students in Year 7 2023 and Year 7 2024.

Prospective families are invited to join one of our regular Tours of the College from 9:15am to 10:30am with our Principal Mr Michael Reid.

To register for a Tour please email stpauls@dbb.catholic.edu.au or telephone our Reception on phone number (02) 9977 5111

Our next Tour dates are:

- Monday 12 September 2022
- Monday 17 October 2022
- Friday 4 November 2022
- Thursday 17 November 2022

PARISH YOUTH MASS

The next **Parish Youth Mass** at St Kieran's Church, Manly Vale, will be on Sunday 11 September at 6pm. All parishioners are welcome, especially families and youth. This is an important opportunity for all young people and their families to deepen their spiritual connection and strengthen their relationship with God. We hope to gather for refreshments afterwards. This **Youth event** is held twice a term. Please mark the date in your diary.

MANLY FRESHWATER PARISH

Position Vacant: Part Time Parish Coordinator, Administration Assistant, 3 days per week

Manly Freshwater Parish is seeking to recruit a part time Parish Coordinator, Administration Assistant, 3 days per week. This role plays an important part in the Parish Team, providing support for Parish groups, parish functions and administration financial processes.

We are seeking a candidate with excellent people skills, a comprehensive knowledge of office administration processes and procedures and bookkeeping experience. A sound understanding of Microsoft Office and MYOB is necessary.

An ability to work independently while remaining a team player, with a commitment to be accountable for performance, and an ability to work collaboratively across a wide range of groups, supported by a good understanding of, and commitment to, Catholic values and teachings will be crucial to your success.

If this role interests you and you would like to join the Parish Team, please email a brief cover letter and CV to Jenny in the Parish Office

manlyfreshwaterparish@bbcatholic.org.au

SEUSSICAL THE MUSICAL – STAGE ARTZ CHARITY MUSICAL 2022

Over the past 20 years, the Stage Artz Theatre Company and Stage Artz Performing Arts School have come together once a year to stage a musical production to raise money for The Children's Hospital at Westmead. Stage Artz Charity Musicals have now raised \$278,000 for the children's hospital. After two years off due to Covid-19, we are excited to be performing again! This year, we are hoping to raise another \$22,000, taking our total hospital donation to a milestone \$300,000.

To celebrate our return to the stage, we are bringing one of our most popular charity shows, Seussical the Musical, back to the Glen Street Theatre stage! Seussical is a fantastical, magical, musical extravaganza that brings the witty, wild, and whimsical world of Dr. Seuss to life. Conceived by Monty Python's Eric Idle, with music by Tony award winners Ahrens & Flaherty, a cast of over 100 performers (including children from the Northern Beaches) and a live band, Seussical is a fun, heart-warming, and sensational show for the whole family.

Seussical the Musical will be performed at the Glen Street Theatre in Belrose from 24th September to 1st October (the September school holidays).

LOST PROPERTY

Lost property is located at the College Reception in the Cardinal's Palace. If your son is missing any item(s) please ask him to check with the College Receptionist to determine whether it may have been handed in.

Please label your son's uniform items. Uniforms are expensive and when they have no identification, we cannot return them to the owner.

If your son has outgrown his school uniform, please consider donating any item in good condition, particularly senior uniform grey shorts, trousers and blazers – this has proven to be a very helpful solution to many boys experiencing wardrobe 'malfunctions' during the school day and is a great way to recycle and reduce landfill.

The College ties are always very welcome as these are often misplaced by the boys.

SCHOOL UNIFORMS

If your son has outgrown his winter uniform, check in with Reception to see if replacements can be found from the Second-hand uniform pool.

All Year 11 and Year 12 students should be wearing the College Blazer with the long grey trousers in Term 3.

New uniforms may be purchased from Pickles School wear at 43 Carter Street, Brookvale. Phone number 9905 2711

CANTEEN

School Canteen Assistant

Yummy Bears Kiosk Pty Ltd is seeking a School Canteen Assistant to commence

immediately - come and join our friendly YBK Team at St Paul's Catholic College Manly.

We are offering a permanent part-time position, 3 days a week and we work 40 weeks per year during school Term only from 8:00am to 2:30pm. (negotiable).

New Employees are required to apply for a Working with Children Check and Food Safety Certificate. Mandatory COVID vaccination proof or valid medical exemption evidence.

For more information, please phone Tania on 0423 855 273

To register for Flexischools, please follow these instructions:

<http://www.flexischools.com.au/>

The cut off time for lunch orders via Flexischools each day is 9:00am.

**Tania and Teresa
Yummy Bears Kiosk**
