21 October 2022

### PRAYER

October is Mission Month in our diocese - a time to support the work of Catholic Mission as it undertakes life-saving and humanitarian work in impoverished communities throughout the world.

Lord God of all, you came into this world that all people may have life to the full. Ignite in our hearts, we pray, a generous response to the needs of our brothers and sisters throughout the world, so that they may share in the many blessings that you have given us.  
Amen.

St Paul pray for us.  
Blessed Edmund Rice, pray for us.  
Live Jesus in our Hearts, forever.

### COLLEGE PRINCIPAL

This week I witnessed a moment that I believe demonstrates what is best about our College community. One of our younger students was feeling overwhelmed in a large group environment and became emotional. Immediately an older student came up to put an arm around his shoulder, reassured him and supported him. It was a wonderful example of what our College Prayer focuses on "to love everyone and everything that God has made" and to set proper priorities.

### Northern Beaches Review

This week I attended a meeting that updated the timeline for this ongoing review. What I can share with you is that the Working Party has now passed its recommendations for the future of the Catholic Schools of our local area to our Director of Schools, Mr Danny Casey, who will discuss them with Bishop Anthony. This is consistent with the timeline that was set out at the beginning of the project and has us on track to hear the first of these recommendations around mid-November.

### Bishop's Prize for Creative Arts

This week I had the privilege of attending the showcase and presentation of awards for the best student artworks, music, drama and short film makers from across the Diocese of Broken Bay. I am very pleased to share with you that St Paul's students starred on the night, receiving five awards including First Prize in both the Stage 4 and Stage 5 Art, First Prize in Stage 4 Music and Second Prize in both Stage 4 and Stage 5 Film. These artworks will be showcased on our College Facebook page. Congratulations to Christian Basile of Year 7, George Wright of Year 9, songwriters Remy Ullrich-Savage and Leonardo Calderon-Lopez and the students in Years 8, 9 and 11 that accompanied them.

*Prima Primum*

*God bless.*

**Mr Michael Reid**  
**College Principal**

### COLLEGE CALENDAR 2022

For 2022 school dates please refer to the Google Calendar

Please view our College Facebook page  
<https://www.facebook.com/stpaulsccmanly>

## ASSISTANT PRINCIPAL

Welcome back to Term 4. I trust and pray that all members of the community had a restful break. The HSC examinations have started and each day as our Year 12 students walk in to sit their papers, they do so with an attitude or preparedness. I wish them all the best for the remainder of their exams.

As we are in Term 4, students are also in summer uniform, and it was good to see that there are only a small number who are still in need of a haircut. With the constant weather changing, from cold and wet to warm, there does seem to be a variety of 'hoodies' on display. A gentle reminder that hoodies are not part of the College uniform and therefore are not to be worn to and from school, or at school.

We commenced the Term with an Assembly, where we presented our new Year 12 2023 cohort with their senior ties. Our new 2023 Student Leaders led the Assembly well and are to be commended for their efforts. It can be quite nerve wracking to stand in front of your peers and speak, but these Student Leaders seemed not to have any nerves.

At this Assembly we recognise the Prima Primum Awards for Term 3 and the Gold Award. The recipients are listed here:

<b>Year 7</b> Christian B Leonardo C Kai C Sebastian I Jack V Morgan Y	<b>Year 8</b> Braylon D Kane G Rafi P Christopher P
<b>Year 9</b> William A Benjamin F Harry G Jasper W	<b>Year 10</b> Charles H Jack K Baden M Noah P
<b>Year 11</b> Jed D Joseph F Joshua G Ethan H Harry L Robert P Lee R George S Jedd T Jamie W	<b>Gold Award</b> Channing L

**Ms Karen Shawcross**  
**Assistant Principal**

## DIRECTOR OF RELIGIOUS EDUCATION

It's the Christmas Term! Or at least that's how I saw it when I was a student. There is a lot to look forward to, but we mustn't lose sight of the fact it is still ten weeks of learning. We must enter the festive season in the knowledge that we have earned our break!

Year 7 will be looking at a unit on protecting human dignity. This lines up well with our Vinnies Christmas Hamper appeal later in the Term as we look at how we can ensure the dignity of our fellow human beings.

Year 8 are studying "The Gospel Today". Again, this is a relevant unit for this Term and the Vinnies appeal because it focuses on Gospel values and how these are still relevant in our society today.

Year 9 are starting an exciting new unit called "The Search for Meaning". This is a unit that explores the action of God in creation, the reality of good and evil and the search for human meaning in life.

Year 10 will be the last class to complete the unit, "Reverence for creation". Next year's Year 10 will be on the syllabus. It's important for Year 10 to start thinking that they are working towards their HSC as the skills and knowledge will be necessary to develop the right approach needed in stage 6.

### Bishop's Art Prize

The Gala presentation night for the Bishop's Art prize was on Tuesday at the Light of Christ centre in Waitara. Students from across the Diocese were there to accept their prizes in several categories for each stage.

St Paul's students really stood out with first places in Music (Remy Ullrich-Savage, Leonardo Calderon Lopez, Cohen Osborne, Amos Williams, and Cooper Cox), Stage 4 Art (Christian Basile), Stage 5 Art (George Wright).

There were second places for Finau Tuionetoa's short film in Stage 5 and a short film in Stage 6 by Maheep Singh, Luca Bombardier, Jesse Reveyrand and Chris Porteous.

First place in the Bishop's Art Prize 2022 with his painting "The Penitent Thief" went to Christian Basile in Year 7. Congratulations Christian!

### Upcoming events

- October:** Catholic Mission 2 v 2 Basketball competition  
Year 7 Reflection Day
- November:** All Souls' Day  
All Saints' Day  
Senior Retreat
- December:** End of Year Mass

**Mr Steven Callow**  
**Director of Religious Education**

## TEACHING AND LEARNING

---

Last week Year 11 students and their parents attended the 2023 HSC Information Evening. This presentation is a NESA requirement ensuring that all students are cognisant of their responsibilities to successfully complete their final year of school. The take home message for students was that while application and commitment in Years 10 and 11 help students prepare for their final year of school, it is what happens from now that will have the greatest impact on a student's success over the next twelve months.

Irrespective of a student's HSC pathway, it is important that he applies himself to his assessment and study to the best of his ability. While the assessment program provides the opportunity for students to set their rankings in each of the courses they are studying, it is important to consider that students working hard together as a group from the very beginning of their course is more likely to achieve a common goal of higher results as they support, challenge, and inspire each other. It is this collaborative practice that we encourage in all students at St Paul's.

End of Preliminary Reports will be available to Year 11 students this Friday. It is important that all Year 11 students reflect on the feedback provided in these reports as they make decisions for their patterns of study for their HSC year.

Year 12 are now into their second week of HSC examinations. There is a positive atmosphere among the HSC students and given that they have had three years of interrupted learning, their commitment to their final examinations is encouraging. We wish them success in their remaining examinations.

This Term is a busy one for all members of the St Paul's community. It is important that all students are on task in their studies and make the most of the opportunities to demonstrate improved knowledge and understanding in each of their subjects. The effort shown over the next two months will be reflected in End of Year Reports.

**Mrs Trish McGregor**  
**Director of Teaching and Learning**

## COLLEGE COUNSELLOR

---

Understanding what is happening developmentally to our teens clarifies their behaviour. Check out these articles on adolescent development and the teenage brain:

<https://www.happyfamilies.com.au/articles/the-teenage-brain>

<https://www.happyfamilies.com.au/articles/developmental-milestones-part-5>

Headspace is offering free mental health education webinars in Term 4 for Parents and Carers in Northern Sydney:

**Mrs Mary Thomas: Monday, Tuesday, Wednesday**  
**Mrs Danika Mouldsdales: Thursday, Friday**  
**College Counsellors**

## VET (VOCATIONAL EDUCATION AND TRAINING) AND POST SCHOOL OPTIONS

---

### Year 10 Automotive - Work Experience at Bill Buckle

During the last week of Term 3 Lachlan Jacobs and Granger Gorrell completed a week's work experience at Bill Buckle VW Brookvale. Both boys learned a lot and had a great experience. They worked with mechanics and master technicians and changed oil, brakes, batteries and serviced locking mechanisms. We would like to thank Fixed Operations manager Brad Wilson for facilitating the experience and all the staff at Bill Buckle for making Granger and Lachlan feel welcome. Both boys are hoping to start an SBAT in Automotive in 2023.

### Year 12 VET Hospitality - Work placement

After missing out last year due to the COVID lockdown, and after being a close contact twice, Liam Wright was able to finally complete his placement at Garfish, Manly. Liam enjoyed his placement and had to fulfil a range of tasks including vegetable and seafood preparation, but his highlight was handling Lobsters.

**Garth Aird**  
**Leader of Learning VET and Post School Options**

## YEAR 7 WELLBEING

---

Can you believe it is Term 4 already? Over the course of the year, the relationships between students have continued to

strengthen and this Term we welcome two more students to our Year 7 cohort.

Today, we build upon these connections with each other and the College as students participate in their Reflection Day which will provide them with an opportunity to learn about the cultural heritage of the site where our school is situated. Students will learn about different aspects of the First Nation's people and their history, led by local Aboriginal Heritage Officers.

During COURAGE this Term, we will continue to engage with the theme of Mental Health Month which is to "tune in" and become "Mental Health Allies". In addition, students will also refine their knowledge around cyber-safety and the importance of respectful interactions whilst using the internet. These two topics were identified by students and teachers as areas which they would like to explore further. I hope these sessions prove to have a positive impact on students before they ease into their summer break.

If the first three terms were anything to go by, Term 4 is going to fly by. Here is a glimpse at the Term ahead for Year 7:

Date	Event
Friday, 21 October	Year 7 Reflection Day
Friday, 28 October	World Teachers' Day
Tuesday, 1 November	All Saints' Day
Wednesday, 2 November	All Souls' Day
Friday, 11 November	Remembrance Day Ceremony
Tuesday, 15 November	BBSSSA Surfing & Bodyboarding
Thursday, 24 March	BBSSSA Surf Lifesaving
Monday, 28 November	Music at St Paul's Concert Series
Tuesday, 29 November	BBSSSA Beach Volleyball & Tennis
Friday, 9 December	End of Year Mass & Year in Review
Tuesday, 13 December	7-10 Reports Available; Last Day of School

**Ms Maddie Hogarth**  
**Year 7 Leader of Student Wellbeing**

## YEAR 8 WELLBEING

Welcome back to Term 4, 2022. The following dates are relevant to Year 8.

As we embark on the final Term of Stage 4, please remind your son that he needs to be ready to learn in every class. Ensuring that he has all the necessary equipment with him so that he can fully engage will all learning opportunities. So that he can end the year well.

DATE	EVENT
Tuesday, 11 October	Return to School, College Assembly
Friday, 28 October	World Teachers' Day
Tuesday, 1 November	All Saints' Day
Wednesday, 2 November	All Souls' Day
Friday, 11 November	Remembrance Day Ceremony
Tuesday, 15 November	BBSSSA Surfing & Bodyboarding
Thursday, 24 March	BBSSSA Surf Lifesaving
Monday, 28 November	Music at St Paul's Concert Series
Tuesday, 29 November	BBSSSA Beach Volleyball & Tennis
Friday, 9 December	End of Year Mass & Year in Review
Tuesday, 13 December	7-10 Reports Available; Last Day of School

**Dr Natasha Perrett**  
**Year 8 Leader of Student Wellbeing**

## YEAR 9 AND YEAR 10 WELLBEING

Welcome back to Term 4, 2022. The following dates are relevant to the Stage 5 cohort (Year 9 and Year 10) for Term 4:

DATE	EVENT
Tuesday, 11 October	Return to School, College Assembly
Friday, 28 October	World Teachers' Day
Tuesday, 1 November	All Saints' Day
Wednesday, 2 November	All Souls' Day
Friday, 11 November	Remembrance Day Ceremony
Tuesday, 15 November	BBSSSA Surfing & Bodyboarding
Wed, 23 – Fri, 25 November	Year 9 Camp
Thursday, 24 March	BBSSSA Surf Lifesaving
Monday, 28 November	Music at St Paul's Concert Series
Tuesday, 29 November	BBSSSA Beach Volleyball & Tennis
Friday, 9 December	End of Year Mass & Year in Review
Tuesday, 13 December	7-10 Reports Available; Last Day of School

**Mr Anthony Noyes**  
**Year 9 and Year 10 Leader of Student Wellbeing**

## YEAR 11 WELLBEING

### Year 12 Term 1 (aka 11 Term 4) Overview

"Your HSC begins now" – the words uttered by Mrs McGregor at the HSC Information Evening. The Class of 2023's journey to the HSC began in 2018, and their Stage 6 pattern of study began at the start of 2022. But their HSC classes and courses have begun, and the students are equally excited and nervous.

With the role of being a Year 12 comes many privileges, but also sharpened responsibilities. The students received their Year 12 ties and read out the Year 12 pledge in front of the College community. Our new College captain then briefed the students about his take on the pledge and what the year group's response to having taken it means in their day-to-day life: "It's about the impression we give others, our character, our effort and our pride", Finn said. Words that apply to more than just HSC studies.

In week one, our prefects have also spoken to the group about Catholic Mission initiatives, including the Nature Zone Meetings. The boys were briefed about the importance of service hours, logging them and their appearance on their End of Prelim reports. They discussed Mental Health month and the need to "tune in and help create a world we can all tune into". They also celebrated merit high achievers, bronze award, and Prima Primum award recipients, and got an overview of the Term

ahead – with all eyes fixed on the highly anticipated Year 12 Retreat in Week 5.

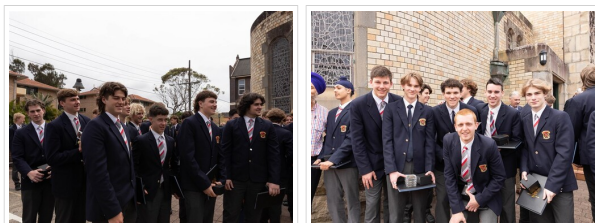

Finally, a big thank you to Mrs McGregor for running the HSC Information Night on Wednesday of week 1. It is a mandated night where the students and parents receive crucial information about NESA's requirements, processes pertaining to changing subjects, HSC/ATAR/ROSA eligibility, and the need to reflect on the results and learnings from the End of Prelim exams.

**Mr Benjamin Rowse**  
**Year 11 Leader of Student Wellbeing**

## YEAR 12 WELLBEING

Year 12 students finished their final days strong. Reflecting on their experiences, thanking those who have supported them and laughing with mates whom they will no longer share a classroom space with again. Last Term also culminated with the whole school clap out, Graduation and Graduation Mass followed by the school formal held at Manly Pacific. It was a great way to see the students off and help them cherish those final moments of being a St Paul's student.

The new Term means one thing for the students of Year 12. The HSC exams. Year 12 are well into their HSC examinations now and we hope their hard work and efforts will be rewarded and we offer our support and prayers with them throughout each exam.

We wish them the best of luck and look forward to seeing how the students flourish after their exams.

**Mr Henry Chapman**  
**Year 12 Leader of Student Wellbeing**

## ENGLISH

Year 7 are currently learning about the Fantasy genre and studying how this is represented in JK Rowling's novel 'Harry Potter'. The key focus for this unit is to improve student writing, with explicit modelling and scaffolding used in the classroom to achieve this aim.

Year 8 are studying a range of short fiction stories and learning how to enrich their own imaginative writing with sensory imagery and figurative language.

Year 9 have been learning about suspense in filmmaking through a study of Alfred Hitchcock, with a close focus on 'The Birds'. Later in the Term, they will be implementing what they have learnt to create their own suspense style short films.

As they approach their senior studies next year, Year 10 are learning about the power of allegory in storytelling through a comparative study of George Orwell's 'Animal Farm' and Neill Blomkamp's film 'Elysium'. Through this study, students can analyse the relationship between a composer's context and purpose, which is a key skill required for success in Senior English.

**Mr Chris Falkland**  
**Leader of Learning English**

## JAPANESE

### Year 8

Students are now expected to read and write all the script of Hiragana confidently including variations and combinations. They explore vocabulary relevant to keeping in touch including transport, making telephone calls, and finding common interests. They develop an understanding of features of Japanese school life and vocabulary associated with this topic. Later in the Term students learn about Christmas and New Year associations are explored for Catholic and Buddhist/Shintoist influences.

### Year 9

Students consider the influence of religion on home life and associated Buddhist and Shinto superstitions. Students explore metalanguage used to describe unique attributes of Japanese such as verbs for living & non-living things. Later in the Term they explore the experience of seasons in Japan and learn to describe weather. The topic also explores the natural phenomenon of Japan such as earthquakes and tsunamis.

### Year 10

Students continue to explore where to shop in Tokyo as well as shopping etiquette in Japan, such as taking off shoes in change rooms. In this Term we look at the experience of house swapping from Japanese to Australian houses through the text types of letter, email, lists and descriptions. We also investigate World War II events that took place on Australian soil, such as the bombing of Darwin, the Cowra Outbreak, and the midget submarines in Sydney Harbour.

Towards the end of the Term, we explore **environmental issues** and the positive and negative effects humans have on their surroundings. The effect of Fukushima on local communities is investigated, and students consider how etiquette helps us share our environment with others. There is a focus on learning how to persuade others through language choice.

We look forward to another great Term of learning in Japanese!

All students will have a Yearly exam in Japanese to summarize their learning of the year in Weeks 5-7.

**Mrs Amanda Kibby**  
**Leader of Learning Languages**

## TECHNOLOGIES

---

We have a busy and engaging Term ahead in the Technologies KLA as we approach the end of the year.

Year 7 are developing their own coding projects to solve problems in technology mandatory. Some amazing creations are coming to life such as pyramid builders, AI enemy systems and more. Students are getting to experience what it's like to code and design solutions.

Year 8 Students are finalising their engineered systems unit. This unit has had them developing and racing Co2 cars. Students will get a chance to learn more engineering principles as the Term goes on.

Across the Technologies KLA, Years 9 and 10 will be engaging in a range of their selected subjects from iSTEM to Food Technology, Timber, Multimedia and IST. Students in timber are getting toward the end of their Ukulele and contemporary furniture projects. Students are learning about all the different finishes and accessories they can use to finalise their projects.

In IST students are continuing their software development unit. The students will extend their fundamental knowledge of coding, algorithms and data types.

I wish all of the students a fun and engaging final Term.

**Mr Callum Endacott**  
**Leader of Learning Technologies**

## HUMAN SOCIETY AND ITS ENVIRONMENT

---

Term 4 is shaping up to be a thoroughly interesting and rewarding Term for the boys in their HSIE subjects.

The Year 7 students in Geography are starting a unit on Place and Liveability, a topic is often considered a favourite by the boys as it focuses on the factors in our living spaces that impact our perception of liveability and how they can be improved.

Year 8 too are in for a fascinating time as they start exploring the different interconnections that exist in or global world. As is common in Geography, it's easy for the boys to find the topics highly relevant to their lives. That can be seen in this case as they explore interconnections forged through tourism and social media.

In Year 9 Geography, the focus will be on a topic called 'Changing Places'. This is a fascinating topic that looks at how settlement patterns and migration are moulding the world of today. The boys should find it personally relevant and thought provoking to consider their role in shaping Australia's urban future.

The boys in Year 10 Geography will finish up their focus on Human Wellbeing, a unit they started last Term. The end to this unit involves exploring the range of ways people and groups respond to inequality in terms of wellbeing and can be quite challenging when they consider their personal situation. It encourages them to consider how they can be involved in making a positive contribution to wellbeing for a sustainable future.

Along with Geography, the boys in Year 10 continue their study of Australian History. Last Term the focus was on the Civil Rights Movement in the US and now we move on to looking at how it influenced change in Australia. The boys will be introduced to the careers of key Indigenous Australian leaders from the past 50 years like Charles Perkins and Eddie Mabo and look at the importance of the contribution to the Civil Rights Movement.

After they have finished their investigation of Australia's economy, the boys in Commerce will dig into a topic that looks at the Commercial issues that surround travel. This too should be wonderfully relevant to the boys as they share their own travel experiences and prospects. They'll be challenged to think ethically and sustainably as they consider the importance of global citizenship.

**Mr Stephen Murray**  
**Leader of Learning HSIE**

## SCIENCE

---

It's great to receive our students back at the College this Term to plan and conduct some important scientific investigations.

Year 10 students have begun to consider and brainstorm how an understanding of the Laws of Physics can help to improve their lives. They will investigate the Physics that underlies such concepts as heat, light, sound, gravity, and movement.

Year 9 Students are working scientifically to understand how multicellular organisms contain specialised cells and tissues that perform important functions. Microscopy is an important scientific tool for understanding the anatomy and physiology of living things. Students have already prepared wet mount slides of plant tissues to enable specimens to be observed and understood at the microscopic level.

Year 8 students are working scientifically to understand factors that are responsible for bushfires. Fuel load, fuel moisture, wind speed, ambient temperature, relative humidity, slope angle and ignition sources all play an important role that can often lead to threats to biodiversity, property, and human survival. An understanding of traditional indigenous fire management techniques combined with scientific insights will help our students to be responsible custodians of the Australian landscape.

Year 7 students returned to the college last week to further develop their skills in scientific inquiry. Working scientifically to understand the structural, physiological, and behavioural adaptations of earthworms is an interesting framework for posing questions, conducting research, forming and testing hypotheses, analysing data and drawing conclusions. It's also

an opportunity to consider the ethics of bringing animals into the laboratory for scientific investigation.

**Mr David Longfellow**  
**Leader of Learning Science**

## MATHEMATICS

The topic being studied during the next few weeks are: -

- Year 7 Length, perimeter, and Area
- 
- Year 8 Circle geometry involving circumference and area.
- 
- Year 9 5.3 - quadratic expressions  
5.2 – quadratic expressions
- 
- Year 10 5.3 are learning about quadratic expressions/ equations  
5.2- financial maths, interest, and depreciation

**Mr Simon Baker**  
**Leader of Learning Mathematics**

## YOUTH MINISTRY AND SOCIAL JUSTICE NEWS

### Staff Spirituality Day

St Paul's community held our Staff Spirituality Day of the first day of Term 4, with the theme focused on "Who Am I?" The day focused on discerning who we are in our relationship with Christ. Thank you to Director of Religious Education, Steve Callow for facilitating the day. A special mention to Lisa Maruca for wonderful catering on the day.

### Catechists

Our Year 10 Catechists were thrilled to share the classroom with Fr. John last week and answer many questions that students from Year 6 Harbord Public had for him. Students asked Fr. John many questions about what sort of jobs priests do and it was great to have him in the classroom.

### Catholic Mission BBQ

October is World Mission Month, and the College would like to thank our community for supporting our Catholic Mission BBQ at recess on Tuesday this week. Year 12 Studies in Catholic Thought students cooked hundreds of sizzling sausages with all proceeds going to support the work of missionaries throughout the world from accessing communities in remote areas to assisting with education programs, community farm projects, formation of

priests and sisters and emergency relief funding where it is required.

**Ms Joanne Kalayzich**  
**Youth Ministry Coordinator**

Congratulations to Sav (Year 12), on his selection into Australia Rugby Union U18 team.

### EXTRA-CURRICULAR SPORT TERM 4

Please see Compass for further information and to register your interest in extra-curricular sports in Term 4. The list of events is as follows:

1. Years 7/8 Peninsula Cup Touch – Monday 4.00pm to 5.00pm at Nolan Reserve, Manly
2. Years 9/10/11 Peninsula Cup Touch – Monday 4.00pm to 5.00pm at Nolan Reserve, Manly
3. Cricket – Date and Time (TBC)
4. BBSSA Under 13 Touch - Monday 24 October
5. BBSSA Surf and Bodyboarding – Tuesday 15 November

6. BBSSSA Surf Lifesaving – Thursday 24 November
7. BBSSSA Tennis – Tuesday 29 November
8. BBSSSA Beach Volleyball – Tuesday 29 November (Year 11 only)

All Sport enquiries, please contact me at [timothy.emmerson@dbb.catholic.edu.au](mailto:timothy.emmerson@dbb.catholic.edu.au).

**Mr Tim Emmerson**  
**Leader of Sport**

## DIVERSE LEARNING

Diverse Learning supports all learners at St Paul's and provides dedicated, focused support for students with disabilities who require adjustments. Through the NCCD, schools are required to submit data on the number of students requiring adjustments and the level of support. Details of this data collection can be found on the Australian Government NCCD Parental Fact Sheet . For further information please contact Mr Arthurs, Leader of Diverse Learning.

Link:

<https://www.nccd.edu.au/sites/default/files/fact%20sheet%20for%20parents%20guardians%20and%20carers.pdf>

### Homework Club on Monday Afternoon

Homework club runs each Monday afternoon from 3:30pm to 4:30pm in room S21. All students and subjects are welcome, especially senior students willing to support our junior students.

Homework Club staff:

- Mr Ben Arthurs
- Mrs Trish McGregor
- Ms Julie Jones
- Ms Andrea McKenzie

We look forward to seeing many students there!

**Mr Ben Arthurs**  
**Leader of Diverse Learning**

## NOTICEBOARD

### Enrolments and College Tours

We are currently enrolling students in Year 7 2023 and Year 7 2024.

Prospective families are invited to join one of our regular Tours of the College from 9:15am to 10:30am with our Principal, Mr Michael Reid.

To register for a Tour please email [stpauls@dbb.catholic.edu.au](mailto:stpauls@dbb.catholic.edu.au) or telephone our Reception on phone number (02) 9977 5111

Our next Tour dates are:

- Friday 4 November 2022
- Thursday 17 November 2022

## Collection Notice information for parents

### LOST PROPERTY

Lost property is located at the College Reception in the Cardinal's Palace. If your son is missing any item(s) please ask him to check with the College Receptionist to determine whether it may have been handed in.

Please label your son's uniform items. Uniforms are expensive and when they have no identification, we cannot return them to the owner.

If your son has outgrown his school uniform, please consider donating any item in good condition, particularly senior uniform grey shorts, trousers, and blazers – this has proven to be a very helpful solution to many boys experiencing wardrobe 'malfunctions' during the school day and is a great way to recycle and reduce landfill.

The College ties are always very welcome as these are often misplaced by the boys.

### SCHOOL UNIFORMS

New uniforms may be purchased from Pickles School wear at 43 Carter Street, Brookvale. Phone number 9905 2711

## ST KIERAN'S PARISH MANLY VALE 70TH ANNIVERSARY CELEBRATIONS

### INVITATION:

North Harbour Catholic Community is celebrating the 70th Anniversary of the Parish of Manly Vale which was established in 1952.

Former parishioners and current families are invited to join in the festivities on the weekend of Saturday 5 and Sunday 6 November.

- Saturday evening 5 November – BINGO in the Parish Centre, a fun night and trip down memory lane. Bookings essential – details on the Parish website.
- Sunday morning 6 November – ANNIVERSARY MASS in St Kieran's Church at 9.30am, followed by a Celebratory Morning Tea in the Parish Centre.
- Blessing of Parishioners – Parishioners who received the Sacraments in St Kieran's over the years will receive a special blessing at all Masses.

**Parish Priest**

## MANLY FRESHWATER PARISH

---

### **Position Vacant: Part Time Parish Coordinator, Administration Assistant, 3 days per week**

Manly Freshwater Parish is seeking to recruit a part time Parish Coordinator, Administration Assistant, 3 days per week. This role plays an important part in the Parish Team, providing support for Parish groups, parish functions and administration financial processes.

We are seeking a candidate with excellent people skills, a comprehensive knowledge of office administration processes and procedures and bookkeeping experience. A sound understanding of Microsoft Office and MYOB is necessary.

An ability to work independently while remaining a team player, with a commitment to be accountable for performance, and an ability to work collaboratively across a wide range of groups, supported by a good understanding of, and commitment to, Catholic values and teachings will be crucial to your success.

If this role interests you and you would like to join the Parish Team, please email a brief cover letter and CV to Jenny in the Parish Office

manlyfreshwaterparish@bbcatholic.org.au.
