Dear Parents and Caregivers,

2026 JUNIOR CAMOUS - PRIORITIES AND FEE SCHEDULE

As we approach the end of the year, I would like to share some updates about our priorities and the fee structure for 2026.

This year, St Paul's Catholic College together with all Catholic Schools Broken Bay (CSBB) schools, has continued to focus on delivering high-quality Catholic education. Three key areas we've been working on include:

- Strengthening our Catholic culture to foster learning, positive relationships, and student well-being.
- Providing consistent excellence in how the curriculum is taught across all year levels.
- Supporting our teachers with expert coaching and collaborative planning to enhance their impact in the classroom.

We have continued to prioritise collaborative coaching time for our staff, which provides an opportunity each week to review teaching, learning and the progress of students. This initiative, along with the enhanced support being provided to staff in each of our classrooms, is helping each student achieve their best.

We remain deeply committed to ensuring no family misses out on a Catholic education due to financial difficulties. Sibling discounts will continue in 2026, providing families with extra support:

Number of Education Fees billed to an account	Discount to the Education Fee
1	0%
2	25%
3	55%
4+	100%

Please note that sibling discounts apply only to children enrolled in CSBB systemic schools, based on the number of Education Fees billed to a parent's account. Sibling Discounts do not apply to children attending non-systemic Catholic schools.

Where parents or carers have multiple accounts with CSBB, sibling discounts may not be automatically applied to the invoice. Once invoices are received early in February 2026, any queries should be directed to the School Fee Liaison Team.

INCORPORATION

CSBB has incorporated. This is an important step in our *Shaping Tomorrow, Together in Faith* journey as we continue to deliver Catholic education in the Diocese, guided by the Bishop, within strengthened governance structures.

Incorporation provides CSBB with a new system of governance. This system will support and foster stronger collaboration between parents, parish priests, principals, and staff, through shared mission, focussing on the development of every student spiritually and academically.

Incorporation results in a transition from the current proprietor of system schools in Broken Bay to a newly established not-for-profit company (Catholic Schools Broken Bay Limited as Trustee for the Catholic Schools Broken Bay Trust (ABN: 82 991 936 092). The trust will be registered as a charity and will be responsible for the existing system of 45 schools and over 18,000 students.

If you have any questions regarding incorporation or your school fee account, please contact schoolfees@dbb.org.au
